

# USER AGREEMENT

Risksnap (<https://www.risksnap.com>) is giving you access to its online pages, including access to articles, glossary, calculators, modeling tools, software applications and other content and tools appearing here. By using the website, you agree to the following terms and conditions.

CONTINUED USE OF THE SITE OR SERVICES SHALL CONSTITUTE ACCEPTANCE OF AND AGREEMENT TO THESE TERMS.

**RELIANCE ON INFORMATION PROVIDED.** This website is designed to provide general educational information regarding the subject matter covered. Risksnap does not provide personalized guidance or advice on market trading or financial risk management subjects unless a contract is entered into for those purposes.

Market trading and financial risk management is complex, and it is impossible to describe or program for every rule or exception that may apply to every person. To make the tools and content understandable to people who are not professional traders or professional fund managers, we have simplified our explanations. Therefore, for personal advice or other expert assistance, you should seek the services of a competent professional.

The information contained in this website and in our email communications cannot be used, and are not intended by Risksnap to be used, for the purpose of challenging any financial services treatment provided by external services to you.

Risksnap believes its content and tools to be useful, reliable, and current, but accuracy or completeness is not guaranteed. For example, display of the stock quotes may be delayed as required by stock exchanges or other information providers, or as per our own publication dates. Further, our providers furnish information to us without warranting its accuracy, and you agree that errors contained in such data for use in the calculators and modeling tools shall not be the basis for any claim, demand, or cause of action against Risksnap or any of its providers. Although we try to keep up with changes in data sources and trading models to update our own content and tools accordingly, Risksnap does not undertake any responsibility to immediately update the content and tools on this website to reflect these changes.

Risksnap email notices are provided by Risksnap as an educational resource. and shall not be liable for any errors, delays, or other problems in sending or receiving these emails or in the data they contain, or on any actions taken or not taken in reliance on them.

**CONSULT YOUR ADVISOR.** The trading of various financial instruments on an exchange or over the counter is complex and subject to changes in the market and regulations. The content of this website is not specific to your individual situation and circumstances. Therefore, by using [www.risksnap.com](http://www.risksnap.com) and accessing its content and tools, you agree that you should consult a qualified financial advisor about your own financial assets or liabilities and that you must not rely on [www.risksnap.com](http://www.risksnap.com) in your decision making other than for general education and knowledge.

**PRICE DATA.** The stock price data will be obtained from [www.yahoo.com](http://www.yahoo.com), or from other sources, which collect data from various providers (collectively, "data providers") through sources believed to be reliable. We cannot guarantee the accuracy or the timely delivery of the any asset price, including stocks, futures, foreign exchange, interest rate and other price data. There will be delays, and there may be omissions or inaccuracies. You agree that neither the data providers nor any agent, subsidiary, or representative shall have any liability, contingent or otherwise, for the truthfulness, accuracy, or timeliness of the price data, or for any decision made or taken by you in reliance upon the price data.
